EXAMINER'S AMENDMENT

The following changes are made to correct obvious minor errors in the claims. In claim 7, "a projecting" has been changed to ---the protruding--- to provide consistent terminology. In claim 8, it has been clarified that the groove referred to is that of the cover and not the blade. Also, claim 20 has been changed to depend from claim 19 as it cannot depend from itself.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Claims

In claim 7, line 3, change "a projecting" to ---the protruding---.

In claim 8, line 2, after "groove" insert ---of the cover---.

In claim 20, line 1, change "20" to ---19---.
